District Governor's Message

In the next few days my year as District Governor will be completed. It has been a year of great memories. This year was made possible by all the Lions of our district. I want to thank one and all and wish DGE Boyd and CST Jack a very successful year. I know the district will show them the same support as was shown to myself.

Convention

We are very fortunate this year to have the International Convention so close to us in Boston. For those who have never attended, it is a great opportunity to see the many cultures and the many faces of Lionism.

Diabetic Cavalcade

May 27th was our Diabetic Cavalcade sponsored by Simonds Lions Club. This was another successful year. We are reviewing our district position in the Cavalcade to make some positive changes to keep up the clubs interest in this event. DGE Boyd will keep you up to date.

PU-101's

DGE Boyd is preparing to put together his directory and need all the clubs PU101's. If your club has not sent this form in, please do

so. You don't want wrong information about your club in to LCI or the district.

M - Reports

A reminder to all club secretaries that your M reports are due in July and August even if your club doesn't have regular meetings.

Everyone have a great summer and I look forward to working with DG Boyd in my new position as Council Chairperson 2006-2007.
